

# "Developing Confidence in Reading"

By taking part in our "Developing Confidence in Reading" training, Teaching Assistants, from KS1 upwards, will be empowered to deliver high impact reading support.

This is a whole programme of support, which includes delivered input, observations, supervision and action planning. Assignment of a lead teacher is required, to be trained and to lead the initiative at school level.

The cost of this programme is dependent on the numbers trained, please contact us for details.

We also offer input on the effective teaching of reading in EYFS, KS1 and KS2. This training supports the teaching of reading through whole class, shared, guided and 1:1 practices.

Please contact us for details of our reading support programmes, or any other training and support needs.

**Contact Noo Thinking for a no obligation, initial, exploratory conversation.**

Noo Thinking Ltd is run by Nicole Godetz. Nicole has worked in education for over 30 years, mostly in South London; she was a head teacher for 17 years. Nicole is currently writing a book about good, sustainable inclusive teaching.

Feedback from an INSET day Nicole ran:

"The trainer engaged attendees through interaction in terms of what is good practice. She was interested in our own thoughts. The day was interesting and I learnt more about what makes a good teacher as well as, with reflection, what not to do and how to evolve yourself."
