

"I-TORT"

Induction Training for Overseas Qualified Teachers to Teach in England and Returners to Teaching

What is the I-TORT programme?

The I-TORT programme is a 5-day induction and training module planned, and run, by an experienced headteacher.

The target groups for this programme are:

- Professionals who trained to teach in a country outside of the UK, but wish to teach in the UK,
- Teachers who were trained, and are qualified to teach in the UK, but have not been practising recently.

The I-TORT programme is not able to award QTS; it is a familiarisation and training programme.

Please contact us for details of our teaching support programmes, or any other training and support needs.

Noo Thinking Ltd is run by Nicole Godetz. Nicole has worked in education for over 30 years, mostly in South London; she was a head teacher for 17 years. Nicole is currently writing a book about good, sustainable inclusive teaching.

Feedback from an INSET day Nicole ran:

“The trainer engaged attendees through interaction in terms of what is good practice. She was interested in our own thoughts. The day was interesting and I learnt more about what makes a good teacher as well as, with reflection, what not to do and how to evolve yourself.”
